5. The successful tenderer should supply Hydraulic Baling Press within 90 days of placing the purchase order.
6. The contractor has to set up and demonstrate equipment before that the delivery would not be deemed to be complete.
7. **The tenderer must give the list of clients where they have supplied this type of Hydraulic baling press with similar specification.**
8. EMD in respect of tenderer whose offer has been accepted will be retained and adjusted as part of the security deposit for due performance of the contract. Contract should be concluded and binding on issue of purchase order by the Company.
9. The contractor is required to do the installation and demonstration of the Hydraulic baling press within two weeks of the arrival of machines at Crumb Rubber Factory. Factory, Kulathupuzha Estate, site of installation, otherwise the penalty clause will be the same as per the supply of machine.
10. In case of any damage to machines and supplies during the carriage of supplies from the origin of machines to the installation site, the contractor has to replace it with new machines/supply immediately at his own risk. The company will not be liable to any type of losses in any form.
11. The 80% payment will be released after delivery Hydraulic baling press as per the specification in good condition, successful commissioning, installation, testing of machines or equipment.
12. The remaining 20% payment will be released after satisfying all the conditions as per the tender terms and conditions, satisfactory functioning of the machines/equipment supplied and after furnishing of Guarantee/ Warranty documents and the security deposit.

13. The successful tenderer need to remit interest free security deposit (5 % of the final price /contract value of the machine) which should be valid for a period of 90 days beyond the completion of all contractual obligations of the contractor including warranty period. In case there is no liability, the security deposit will be released after getting the non-liability certificate from the respective Manager after the prescribed period based on the certificate.
14. The security deposit shall be forfeited and credited to the company in the event of breach of contractual obligation by the contractor, in terms of relevant contract.
15. The Managing Director of the company has the right to terminate the contract by giving 15 days notice.
16. The company shall promptly notify the Contractor in writing of any claims arising under the warranty. Upon receipt of such notice, the Contractor shall arrange to repair or replace the defective goods or parts within 7 days free of cost in Crumb Rubber Factory, Kulathupuzha Estate. The period for correction of defects in the warranty period is 07 days. If the contractor having been notified fails to remedy the defects within 07 days, the company may proceed to take such remedial action as may be necessary, at the risk and loss of the contractor and expenses and without prejudice to any other rights, which the company may have against the contractor.
17. The contract will be concluded on issue of Purchase order by RPL.
18. If the supplier defaults in the supply of all or any of the articles correctly and promptly as above, as per the specifications of the Company, the Company is at liberty to procure the same from elsewhere without cancelling the contract as a whole. If the company incurs in this procuring such machine at a higher cost than the agreed rate, such excess cost shall be deducted by the company from the supplier's bill or adjusted or otherwise realized from their security deposit or recovered from them by legal means including Revenue Recovery proceedings along with all expenses incurred in the alternate purchase including advertisement cost & @10% of administrative expenses as finalized by the Company. If supplier violates the conditions of the contract, if needed the company will blacklist the defaulted supplier from participating in any work of the company.
19. The warranty period should be clearly mentioned.
20. If the date of tender happens to be a holiday, the tender will be opened on the next working day and no further notice will be issued in this regard.
21. Bidder agrees that time wherever specified is the essence of the contract.
22. If machine or its parts supplied by the contractor is found to be substandard, refurbished, un-merchantable or not in accordance with the description/specifications of the company or otherwise faulty, the company will have the right to reject the machine or its parts. The prices of such machines or its parts shall be refunded by the

contractor with 18% interest if such payments for such equipment have already been made.

23. If any defective part in machine is found before installation and/or during warranty period, shall be replaced within 7 days on receipt of the intimation from this office at the cost and risk of contractor including all other charges.
24. Special conditions, if any, written on the tender or attached with the tender will not be applicable to the contract unless they are expressly accepted by the Company in writing.
25. Any dispute arising out of this contract, all suits or other legal proceedings in connection with any of the matter regarding the supply shall be instituted in the Court at Punalur only.
