**TENDER CONDITIONS ATTACHED TO THE E-TENDER NOTICE FOR THE  
PURCHASE OF DAHP**

1. E-tenders are invited for the supply of Diammonium Hydrogen Phosphate (DAHP) 9000 kg having specification (Purity: 85% minimum, white crystalline powder) for the supply at L C Factory at Kulathupuzha estate of the company.
2. Last date and time for uploading the tender in the e-tender site is 5 pm on **04.07.2024**. The offer will be opened at 11 am on **06.07.2024**. Every intending bidder has to sign the conditions on each page in token of having accepted the same and upload the same.
3. Rate quoted should be inclusive of GST, transportation, loading & unloading charge etc. All the intending bidders will have to furnish tender form cost ₹2124/- and Earnest Money Deposit of ₹8910/- through on line facility. Exemptions, if any, will be allowed as per government order on production of documentary evidence. Rate breakup details and bidder details should be uploaded separately in the attached format.
4. The rate quoted should be for delivery at LC Factory. Materials to be supplied at the LC Factory for the months of July and October 2024. The rate quoted should be firm till the company accepts the same. No representation for enhancement of price once accepted will be considered on any account.
5. EMD in respect of tenderer whose offer has been accepted will be retained and adjusted as part of the security deposit for due performance of the contract.
6. The contract will be concluded on issue of purchase order by the company. The tenderer whose offer has been accepted will have to enter into a formal written agreement with the company for supply of DAHP as per the terms and conditions fixed by the company within 7 days of issue of the purchase order, failing which the EMD is liable to be forfeited and the purchase will be effected at the risk and cost of the Bidder whose offer has been accepted.
7. The supplier should guarantee that the minimum required ingredients are included in the bulk supply of each item. i.e. the material supplied should conform to the specification of the same.
